Given this from the HWOW...

Do you listen to Howard Stern?

Given this from the Brown Bag...

The solution is...

Here we have various forms of computer memory storage, or media. And by the DVD, which can hold the most data, the crown of a King.

The hint should have caused the unfamiliar TH'er to find out about Howard Stern, and learn that he's also known as "The King of All Media".

In addition, his controversial radio show, which caused run-ins with the FCC, is moving to satellite radio, where he can speak uncensored.

So head over to Circle Sirius.
