Salutations Hunt Participants!

Go to map locations that sing to you.

Many lay willy-nilly about calling to your group.

Brightly light your way. Click on your flashlight, a thousand watts at your command.

Moon's glow, rising now, will assist you.

Look! A van is approaching.

Quickly, but cautiously, go from this spot.

A van or car but not a truck or train is your transportation.

Pass on that which is obvious. Find that which is missing.

Given this from the HWOW...

a,e,i,o,u, and sometimes w and y

Given this from the Brown Bag...

The solution is...

Solutions consist of what is missing from a clue as much as what is present.

The sharp-Eyed Hunter will notice that there are no E's in any of the words in the paragraph.

Go find the missing "e"s at the circle with all the Es in it.
